The following is a list of main points and thoughts to keep in mind while entering this internship, as well as important dates that you will need to be a part of facilitating and attending as a CCC Intern. We will be as flexible as possible (if you communicate with us), but we aim to build a team of students that are passionate about God's Church and willing to serve its mission.

Requirements:

- Wednesday is GO TIME — You must be available from the beginning until the end. Pastor Tyler or Darlene'll dismiss you after the night is over.
- Please communicate and respond to all messages or threads.
- You must fulfill all required reading and weekly discussions for your development course with the rest of the intern team.
- What you post on social media is important.
 - If you have any questionable pictures/statuses/fake accounts/etc. on any social media platform make sure they are removed and that abstain you from any type of questionable content on your online presence.
- The environments, activities, and behavior you associate with must be above reproach.
- First time applying interns will be interviewed by Pastor Tyler & Darlene Green. Parents are welcome to debrief or meet with Pastor Tyler & Darlene if they have any questions.
